

Norikazu Takahata

Director, Protect Our Children from Meningitis Group
(Saikinsei Suimakuen-kara Kodomotachi-o Mamoru Kai)

- 1994 Graduated from the Department of Economics, Faculty of Law and Economic, Chiba University
- 2007 Director, Protect Our Children from Meningitis Group
(Saikinsei Suimakuen-kara Kodomotachi-o Mamoru Kai)

Realizing that Hib meningitis, from which his firstborn son suffered, can be prevented by vaccination and that Japan is suffering from the vaccine lag as many vaccines, including that for Hib, have not yet introduced, Mr. Norikazu Takahata is actively working to realize early, regular vaccinations to protect children from bacterial meningitis, and to eliminate the vaccine lag.
