

PhRMA Press Conference on Oct. 28, 2020

Chris Hourigan
Chairman of Japan-Based Executive Committee (JBEC) of PhRMA

Chris Hourigan is the Company Group Chairman, Pharmaceuticals for Janssen Asia Pacific, and President of Janssen Pharmaceutical K.K.

He serves as a member of the Pharmaceuticals Global Operating Committee for the Janssen Pharmaceutical Companies of Johnson & Johnson, and is the current JBEC PhRMA Chairman.

Since relocating to Tokyo in 2016, Chris has been a strong and active contributor to the Japanese pharmaceutical sector and its effort to support access to innovative medicines and bolster local research and development.

Chris is a respected member of the pharmaceutical industry, having previously worked as a board member of EFPIA Japan, Medicines Australia and Medicines New Zealand to highlight the value of pharmaceutical innovation and advocate for policies that deliver timely and affordable access to medicine.

Since joining Janssen Australia in 2005, Chris has worked across five countries in positions of increasing responsibility. He has previously led Janssen operations in Australia & New Zealand and Vietnam. He also worked in the United States in a global marketing role.

Chris holds a Master of Business Administration and a Bachelor of Applied Science from the University of Technology, Sydney, Australia.
